

As part of Lonseal's exterior flooring series, LONDECK SOL is a resilient exterior sheet vinyl with a cool-touch technology that reflects the sun's rays and reduces the surface temperature up to 10°F. Londeck Sol exhibits a leather grain pattern. It withstands high volumes of pedestrian traffic and weather-wear. Because of its versatility, Londeck Sol has been utilized in spaces such as pools, hotel and condo decks, boats and stairways.
