PRE-APPLIED URETHANE FINISH

## LONSEAL PRESENTS **TOPSEAL**

**TIME.**

**MONEY.**

**THE ENVIRONMENT.**

**TOPSEAL** saves all.

Time on maintenance.  
Money on life-cycle costs.  
Impact on the environment.

Lonseal's Topseal is a factory-applied urethane finish that protects the floor, reduces scuffing and simplifies routine maintenance. Topseal is now available in a selection from Lonseal's three most popular products: Loneco®, Lonwood Dakota and Lonwood Natural.

Topseal is applied in a 30-micron wear layer — three times thicker than most PUR finishes. Topseal extends the life of the flooring by protecting it from wear due to staining, soiling and scuffing.

Topseal is an eco-friendly formulation that incorporates Lonseal's GreenAir™ technology for low VOCs as well as GreenMedic™ for increased microbial resistance.

Products with Topseal are stocked in 15 colors; Topseal can also be applied to other smooth Lonseal flooring with a minimum sq yd requirement. See the full line at [www.lonseal.com](http://www.lonseal.com).

## LONECO®

As Lonseal's foremost eco-friendly product, Loneco® is comprised of over 50% recycled content and features elegantly organic colors that easily conceal scuffing and soil. Loneco® has been utilized in such diverse commercial spaces as Earthlink's corporate offices in California, Evergreen Hospital in Washington, and New Balance retail stores.

*Features: Over 50% recycled content, GreenAir™ (low VOC emissions and contributes to superior indoor air quality), LEED MR 4.1 & 4.2 compliant, GreenMedic™ anti-microbial formulation, GREENGUARD certified*

7211 ICE CAP

7216 MINT

7219 MICA

7233 LAVENDER

7215 SEA COAST

## LONWOOD DAKOTA

This durable, slightly textured sheet evokes the open grain of oak and the nuance of knot-free plank in warm and inviting colors. Lonwood Dakota coordinates beautifully with Loneco® and is ideal for corporate and retail, as well as healthcare environments such as Northwestern University Imaging Center in Illinois and St. Louis Children's Hospital in Missouri.

*Features: Over 20% recycled content, GreenAir™ (low VOC emissions and contributes to superior indoor air quality), LEED MR 4.1 & 4.2 compliant, GreenMedic™ anti-microbial formulation, GREENGUARD certified*

7079 CHERRY

7089 WARM TEA

7096 PUMPKIN PIE

7097 HOT CHOCOLATE

7095 HONEY CAKES

## LONWOOD NATURAL

Lonwood Natural has a realistic maple wood image with striking color schemes taken directly from nature. It has been a regular feature in healthcare, multi-housing and corporate settings including Balboa Naval Hospital in California, Citi Field Stadium in New York, and Malama Ki Ola Health Center in Hawaii.

*Features: Over 20% recycled content, GreenAir™ (low VOC emissions and contributes to superior indoor air quality), LEED MR 4.1 & 4.2 compliant, GreenMedic™ anti-microbial formulation, GREENGUARD certified*

7452 MAPLE SYRUP

7453 PRAIRIE

7457 BUCKWHEAT

7462 GENTLE WIND

7463 THUNDERSTORM
