

LONSTRAND Topseal

Healing Design That Connects You With Nature

LONSTRAND Topseal is PHTHALATE FREE and was designed to contribute to restorative responses such as reducing stress, improving cognitive function and creativity, improving well-being and healing. The design mimics the bark of a tree, which gives a harmonious relationship with the earth and offers a sense of healing and tranquility. The long, fibrous-like strands can visually expand a space. It also gives a peaceful, harmonious effect when connecting with other architectural details such as floor moldings. Lonstrand has multiple design purpose. It is subtle enough to provide a smooth transition between rooms and interesting enough to help emphasize a focal point.

FEATURES *(data shown is nominal):*

- Roll Width: 6 ft. (1.8 m)
- Roll Length: 60 ft. (18.3 m)
- Overall Thickness: 0.080 in. (2.0 mm)
- Wear Layer Thickness: 0.020 in. (0.5 mm)
- Weight: 0.7 lbs./sq. ft. (3.2 kg/m²)

PHTHALATE FREE:

- REACH Compliant, SVHC free

ASTM F1303 CLASSIFICATION:

- Type I, Grade 1, Class B, Commercial Use

CERTIFIED:

- FloorScore®

EXCLUSIVE LONSEAL® FORMULATIONS:

- Topseal, GreenAir® & GreenMedic®

LEEDv4/4.1 CONTRIBUTION B & C Interiors:

- Environmental Product Declarations Option 1
- Sourcing of Raw Materials Option 2
- Low-Emitting Materials
