

## **BT-437 Premium Clean Removal Double Sided Carpet Tape**

BT-437 is a premium clean removal double sided carpet tape. BT-437 features an aggressive natural rubber adhesive system, specifically designed for carpet hold-down applications in the convention and entertainment industries.

BT-437 is additionally used in abatement and containment, display mounting, and bonding applications. Whether securing carpets, mounting displays, or facilitating temporary work areas, BT-437 is a smart choice for trade show and industrial settings.

### **Applications:**

- Abatement and Containment
- Carpet Hold-down
- Display Mounting
- Temporary Bonding
